

Circus Preschool Pack {Part 1}

Thanks so much for stopping by my site and downloading this file. I hope that you and your child have **MUCH** fun together using this free resource! You can find all of my files and links for this unit on this webpage:

<http://homeschoolcreations.com/circuspreschoolpack.com>

This pack contains early learning printables to use with your toddler or preschooler when studying about the circus. I would highly recommend printing the activities from this set onto cardstock so that they are sturdier for younger hands.

If you would like to share, please share a link to my blog or to the page that hosts these files. **Please do not link directly to just the PDF files** (the link you are at now). Please feel free to print this pdf file for your own personal use. They were created for private and non-profit use. Please do not sell or host these files anywhere else.

Use the top section for your child to practice writing his/her name and add to the front of a lapbook or file folder if storing your child's work. Depending on the book that you use for your adventure, have your child summarize the book and record what they tell you. Add the mini 'book report' to the front of your folder.

what happened in the story?

My favorite part of the book was...

Print, laminate and cut out or slide into a sheet protector . Have your child either clip a clothespin to the correct beginning letter sound or use a dry erase marker to circle the correct letter.
Depending on your child's ability, the ending letter of each word is also included.
