

Thanks so much for stopping by my site and downloading this file. I hope that you and your child have MUCH fun together using this free resource! You can find all of my files and links for this unit on this webpage:

<http://homeschoolcreations.com/Dogspreschoolpack.html>

This pack contains early learning printables to use with your toddler or preschooler when studying about the ocean I would highly recommend printing the activities from this set onto cardstock so that they are sturdier for younger hands.

Carisa from 1+1+1=1 has created a fun [Cats Preschool Pack](#) that would be a great go-along too with this unit! You may also enjoy my printables to go along with book Angus Lost.

If you would like to share, please share a link to my blog or to the page that hosts these files. **Please do not link directly to just the PDF files** (the link you are at now). Please feel free to print this pdf file for your own personal use. They were created for private and non-profit use. Please do not sell or host these files anywhere else.

Use the top section for your child to practice writing his/her name and add to the front of a lapbook or file folder if storing your child's work. Depending on the book that you use for your adventure, have your child summarize the book and record what they tell you. Add the mini 'book report' to the front of your folder.

what happened in the story?

My favorite part of the book was...

dog

food dish

paw prints

ball

mat

frisbee

bone

leash

How many Frisbees can the dog catch?

1	2	3	4	5
6	7	8	9	10
11	12	13	14	15

Cut out and tape together the two strips to make one long patterning board. Use the images on the previous to work on different patterns with your child!

## Clip & Learn Beginning Sounds

Print on cardstock and laminate if possible. Cut out the learning circle. Use a set of clothespins with letters attached to them, or make your own using the letters at the bottom of this page, or writing them simply with a Sharpie. Have your child say the name of the image out loud and use their little hand muscles to clip the correct clothespin on the wheel!!
