

Firemen Early Learning Printables

{Preschool version}

Thanks so much for stopping by my site and downloading this file. I hope that you and your child have **MUCH** fun together using this free resource! You can find all of my files and links for this unit on this webpage:

<http://homeschoolcreations.com/FiremenPrintables.html>

This pack contains early learning printables to use with your child. The first half of the kit focuses on skills for younger children and the second includes pages for more advanced preschoolers or kindergarteners. I would highly recommend printing the activities from this set onto cardstock so that they are sturdier for younger hands.

If you would like to share, please share a link to my blog or to the page that hosts these files. **Please do not link directly to just the PDF files** (the link you are at now). Please feel free to print this pdf file for your own personal use. They were created for private and non-profit use. Please do not sell or host these files anywhere else.

Use the top section for your child to practice writing his/her name and add to the front of a file folder if storing your child's work. Depending on the book that you use for your adventure, have your child summarize the book and record what they tell you. Add the mini 'book report' to the front of your folder.

What happened in the story?

My favorite part of the book was...

Fireman Counting

Five Little Firefighters

Five little firefighters
Sleeping nice and sound.
CLANG goes the bell
and they begin to run around!

They jump on the fire engine
to rush to the fire.
They work so hard to get it out
Now they are so tired!

They clean their boots
And hang up their gear.
The firefighters take care of us -
We never need to fear!
