

Mapping Australia

1. Find and label Australia's capital, Canberra. Put a star next to it.
2. Find and label the city of Sydney.
3. Find and label Ayers Rock.
4. Label Kangaroo Island.
5. Find and label the Great Barrier Reef.
6. Find and label Tasmania.
7. Draw and label the Darling River and the Murray River. Outline them in blue.
8. Find and label the following oceans: Indian Ocean, Pacific Ocean, and the Southern Ocean.
9. Find and draw a dotted line showing the Tropic of Capricorn.
10. Use triangles to represent the Great Dividing Mountain Range.
