

The word "October" is written in a large, black, cursive font. It is surrounded by several autumn leaves in shades of yellow, orange, and brown. To the right of the word is a cartoon scarecrow wearing a brown hat with a green band, a red shirt, and blue overalls. The entire graphic is set against a white background with light blue swirls and is enclosed in a red border.

# October

## Calendar Pieces

The October Calendar Number set includes a monthly title {above} to use with your pocket calendar as well as three full sets of numbers using different theme-related objects. If you need days of the week to use in your pocket chart, there is a page at the end of this document to print and laminate.

Print these cards onto cardstock, laminate, and use in a pocket chart for daily calendar practice. We use [this pocket chart](#) and have had it for over fifteen years!

If you would like to share, please share a link to my blog or to the page that hosts these files. **Please do not link directly to just the PDF files** (the link you are at now). Please feel free to print this pdf file for your own personal use. They were created for private and non-profit use. Please do not sell or host these files anywhere else.

**Tip #1: Save money on laminating with [these {much more} affordable pouches](#).** They work GREAT and help cut costs!

**Example:** Use the number cards to make simple or complex patterns with your child.

ABC Pattern ---->

1	2	3
---	---	---

ABAB Pattern ----->

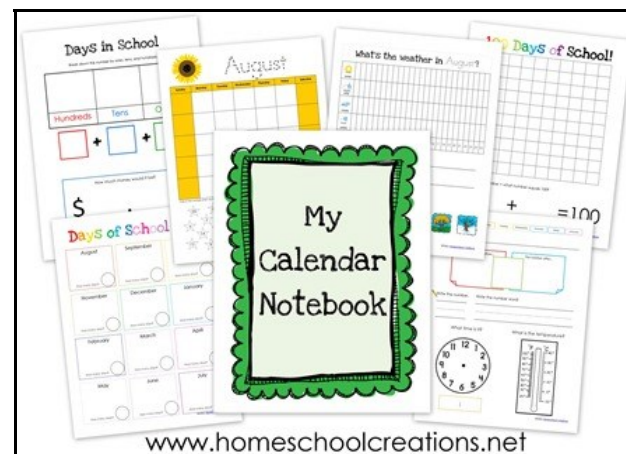

1	2	3	4
---	---	---	---

AABB Pattern ----->

1	2	3	4
---	---	---	---

**Tip #2:** Print all pages off onto cardstock and laminate for added durability. **To save laminating film, try putting two pages back to back before running them through the laminator.** Then the fronts of the cards will be 'smudge-free' and you save a bit of laminating film.
