

Peter Pan Preschool Pack

Thanks so much for stopping by my site and downloading this file. I hope that you and your child have MUCH fun together using this free resource! You can find all of my files and links for this unit on this webpage:

This pack contains early learning printables to use with your toddler or preschooler when studying about Peter Pan. I would highly recommend printing the activities from this set onto cardstock so that they are sturdier for younger hands.

If you would like to share, please share a link to my blog or to the page that hosts these files. **Please do not link directly to just the PDF files** (the link you are at now). Please feel free to print this pdf file for your own personal use. They were created for private and non-profit use. Please do not sell or host these files anywhere else.
