

Pirate Lapbook

This pack contains early learning printables to use with your toddler or preschooler when studying about pirates. We used the book [On a Pirate Ship](#) by Sarah Courtauld and Benji Davies and absolutely loved it!!

I would highly recommend printing the activities from this set onto cardstock so that they are sturdier for younger hands.

Printables for this lapbook/folder include:

- Name tag strip for front of lapbook
- Story summary sheet for one of your favorite books
- Verse printable for Matthew 6:21 ~ Where your treasure is...
- Pirate words
- Upper and lowercase ABC cards to trace or use for matching
- Pirate ship size sequencing
- Count the Gold ~ counting booklet
- Parrot Colors ~ a coloring book
- Pirate puppets ~ to re-enact your story {or tell your own}
- Animal cards from the book [On a Pirate Ship](#)
- Find the Treasure ~ gameboard
- Clip art for your lapbook

Please feel free to print this pdf file for your own personal use. They were created for private and non-profit use. Clip art is from Fotolia.com and Microsoft. Please do not sell or host these files anywhere else.

Use the top section for your child to practice writing his/her name and add to the front of the lapbook. Depending on the book that you use for your pirate adventure, have your child summarize the book and record what they tell you. Add the mini 'book report' to the front of your lapbook.

what happened in the story?

My favorite part of the book was...

Where your treasure is
there your heart will be also.
Matthew 6:21

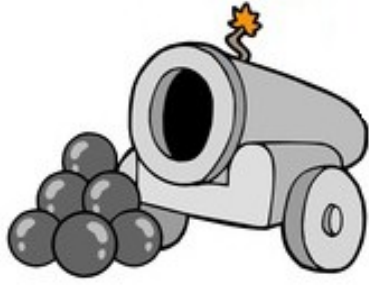

Where your  is
there your  will be also.

Matthew 6:21

Where your treasure is
there your heart
will be also.

Matthew 6:21

Sequencing Ships

Animals in the Book

When we read a story, we look to see what animals are in the book. These animals are from the book [On a Pirate Ship](#) by Sarah Courtauld and Benji Davies. The cards are laminated and then put on a jump ring so we can flip through the cards and review the animals in the weeks and months that follow. If you would rather, you can print the cards off onto cardstock and store them in the pocket provided.

Find the TREASURE!

This is a fun and simple game to play with your preschooler! All you need is a game board {two pieces}, game piece markers {like small bingo chips}, and a die.

Directions:

Take turns rolling the die. If you land on one of the dark blue or brown dots, stop and read to see what you need to do. Sometimes you can move ahead, you might have to drop anchor and stay for a bit, or go back a few spaces. The first one to reach the 'x' marks the spot ~ wins!
