

Prayer for a Child Printables

Thanks so much for stopping by my site and downloading this file. I hope that you and your child have MUCH fun together using this free resource! You can find all of my files and links for this unit on this webpage:

<http://homeschoolcreations.com/PrayerforaChild.html>

This pack contains early learning printables to use with your toddler or preschooler when studying [Prayer for a Child by Rachel Field](#). I would highly recommend printing the activities from this set onto cardstock so that they are sturdier for younger hands.

If you would like to share, please share a link to my blog or to the page that hosts these files. **Please do not link directly to just the PDF files** (the link you are at now). Please feel free to print this pdf file for your own personal use. They were created for private and non-profit use. Please do not sell or host these files anywhere else.

You can also find extra go-along printables to use with many of the other children's books on my website:

September 2011

Use the top section for your child to practice writing his/her name and add to the front of a lapbook or file folder if storing your child's work. Depending on the book that you use for your adventure, have your child summarize the book and record what they tell you. Add the mini 'book report' to the front of your folder.

What happened in the story?

My favorite part of the book was...

dress the ponies hot

never tire in their

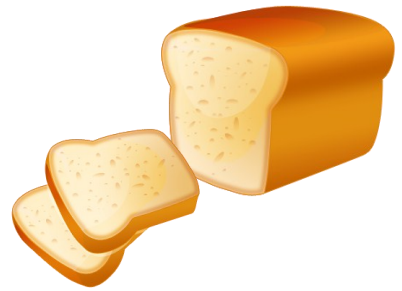

joying care of me.

Matching

Before playing, read the book and find all of the angels in the book together. Then use these cards to play a matching game with your child.

Jesus Love the Little Children

Jesus loves the little children,

All the children of the world.

Red and yellow

Black and white,

They are precious in His sight.

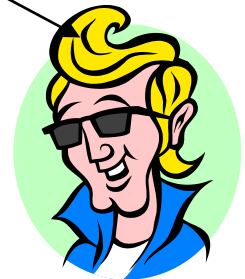

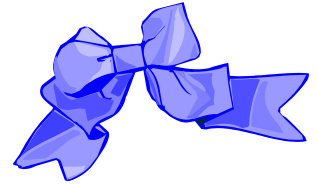

Jesus loves the little children
of the world.

Rhyming Word Match

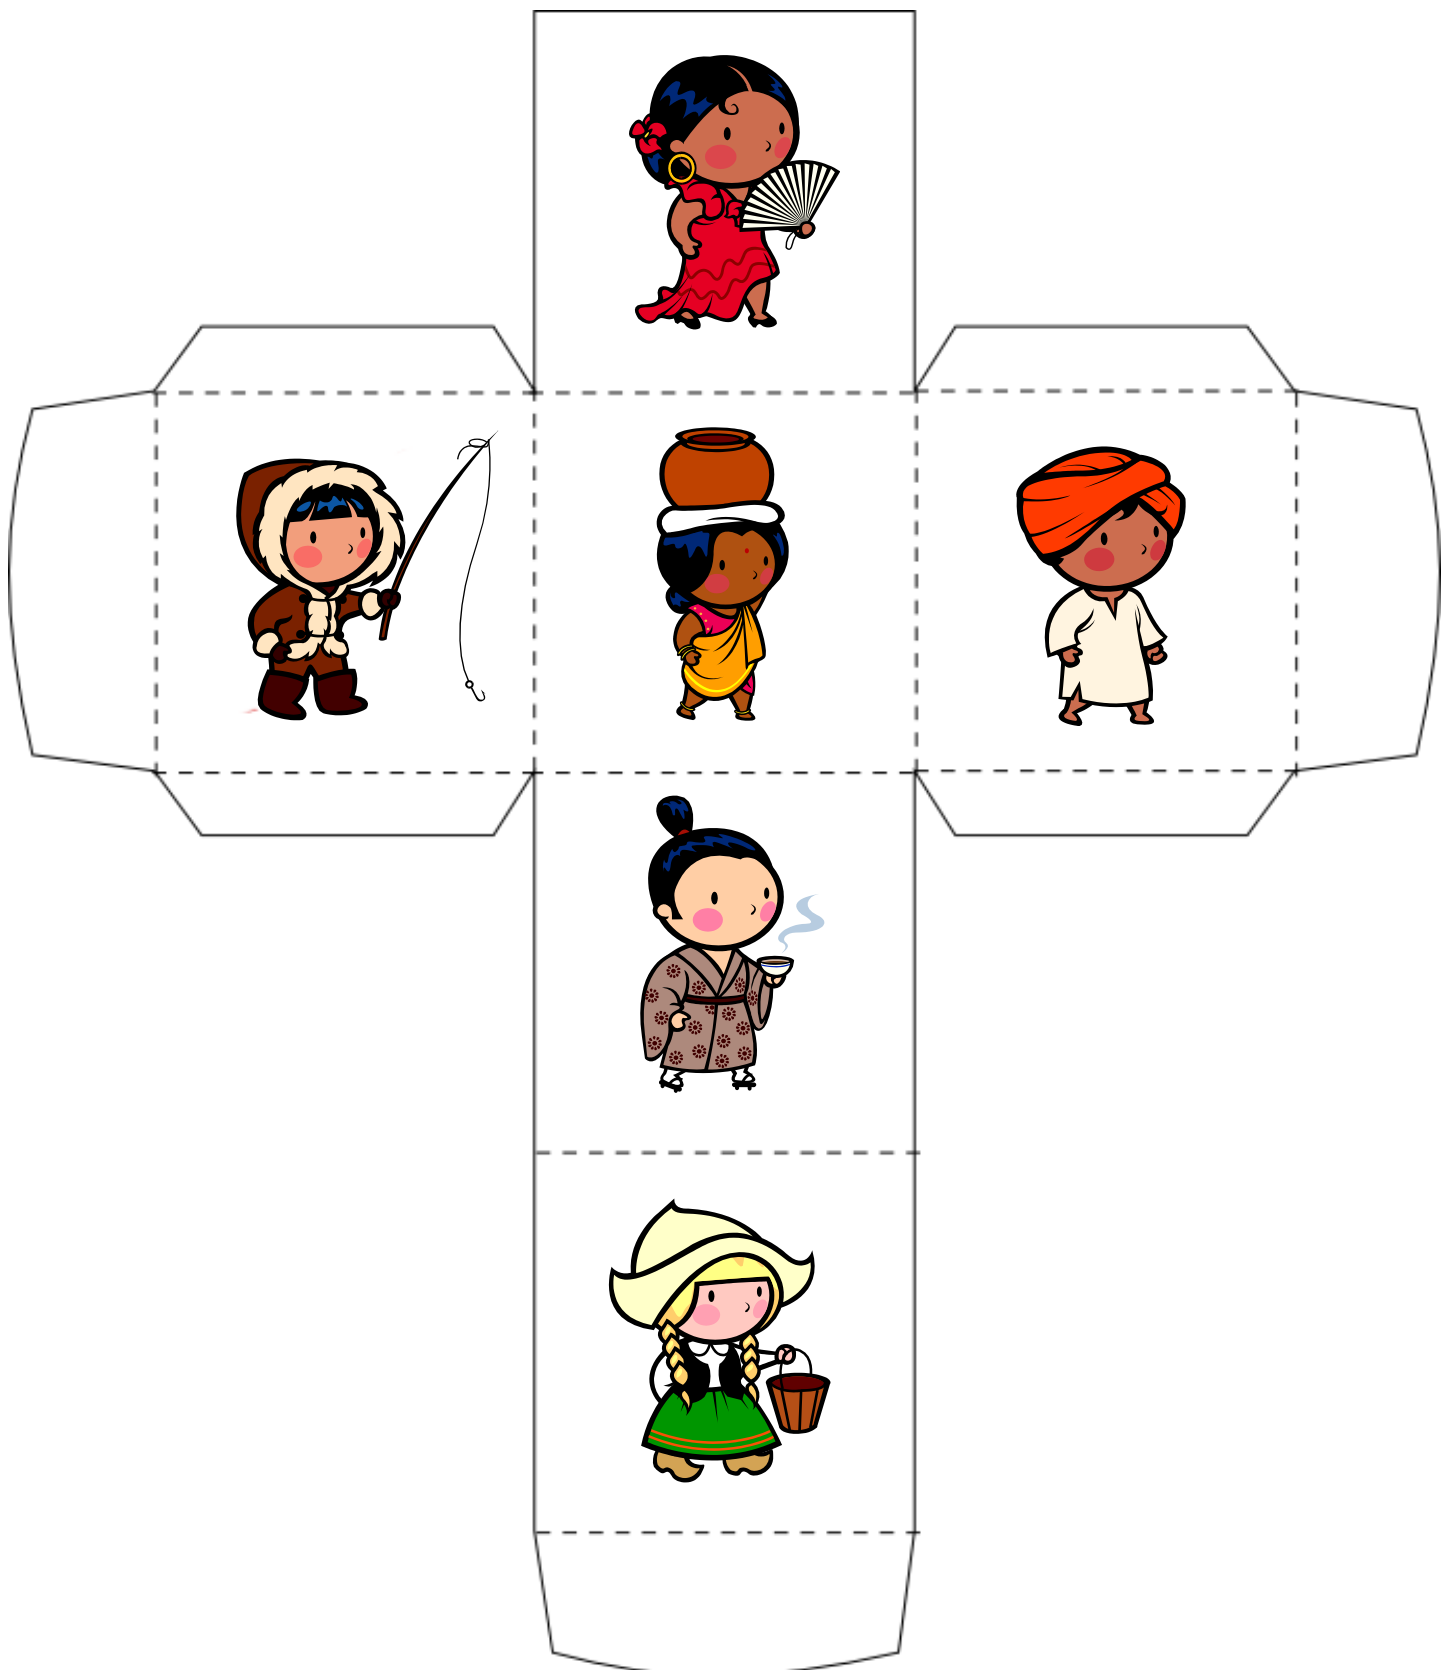

Match the rhyming words by drawing a line between the two picture words that sound alike.

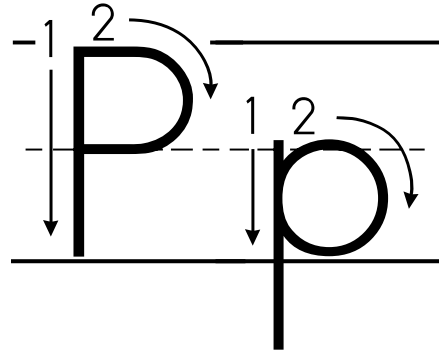

Slide into a sheet protector and use a dry erase marker if you would like to re-use it.

Cut out the dice template below, fold on the dotted lines and tape/glue together to make dice. Have your child roll the dice and then fill in a square of picture that was rolled until one of the colors reaches 10!
