

Read! Build! and Write! Mats

What are Read, Build, and Write mats? They are a fun way for you to squeeze in a little extra learning with your child.

Print off one {or more} of the mats to use with your child or in your classroom. There are multiple colors of mats to choose from {why be limited to one color?}. Here's a summary of how to use them:

Read: Place one of the cards in the top box and read the word together.

Build: Use letter tiles or magnets to build the word in the second box.

Write: Finally, practice writing the word in the bottom box.

Laminate the mats for extra durability and use either letter magnets {or fridge magnets} to build the word. You can also use the letter tiles that are included in this pack to go along in the 'building' process.

You can find all of my Read! Build! Write! vocabulary card go-alongs on this page: [Read! Build! Write! Printables](http://homeschoolcreations.com/Read_Build_Write_Printables)
