The SOAP method for studying Bible verses is a way to help you stop and reflect on a verse or Bible passage that you are reading. It's really such a simple tool and one that is great for children to use as well!

What does S.O.A.P. stand for?

Scripture ~ Write the verse that is the focus.

Observation ~ Write down 1-2 observations from that Scripture passage. What do you hear God speaking to you?

Application ~ How does the passage apply to you right now in your daily life?

Prayer ~ Write a prayer based on the passage.
