

These sign language letter & number cards were put together to make a stack of cards that could be put on a ring and ‘flipped’ to practice the letters and numbers. The file has all 26 letters of the alphabet and also the signs for the numbers 0-9. Each card is 3” x 3” in size and has the hand sign as well as the letter or number that the sign represents.

Print out the cards onto cardstock and laminate to make them more sturdy. Punch a hole in the corner and put them onto a ring so that you can easily flip through them.
