

# Thanksgiving Early Learning Printables

{Kindergarten version}

Thanks so much for stopping by my site and downloading this file. I hope that you and your child have **MUCH** fun together using this free resource! You can find all of my files and links for this unit on this webpage:

<http://homeschoolcreations.com/ThanksgivingPrintables.html>

This pack contains early learning printables to use with your child. The first half of the kit focuses on skills for younger children and the second includes pages for more advanced preschoolers or kindergarteners. I would highly recommend printing the activities from this set onto cardstock so that they are sturdier for younger hands.

You will notice **TWO** sets of vocab cards and beginning sound cards. One set uses the word 'Native Americans' and the other set uses 'Indians'. Print off the set that you prefer. :)

If you would like to share, please share a link to my blog or to the page that hosts these files. **Please do not link directly to just the PDF files** (the link you are at now). Please feel free to print this pdf file for your own personal use. They were created for private and non-profit use. Please do not sell or host these files anywhere else.

# Top the Pie!

Add whipped cream to the pie and count how many!

You can also use cotton balls in place of the whipped cream clip art for counting.

# Starts with 'P'

# Other Letters

Cut out the pictures below and sort them into the right box.

# Clip & Learn Beginning Sounds

Print on cardstock and laminate if possible. Cut out the learning circle. Use a set of clothespins with letters attached to them, or make your own using the letters at the bottom of this page, or writing them simply with a Sharpie. Have your child say the name of the image out loud and use their little hand muscles to clip the correct clothespin on the

# Fractions

Print {and I would recommend laminate} the circles below to teach your little one about fractions. Match the fraction circles to the ones on the following two pages. Use either the set that has the fractions on them or the set without.

## WHOLE

The pie is whole  
and not cut.

## HALVES

The pie is cut into  
two pieces.

### **THIRDS**

The pie is cut into  
three pieces.

### **FOURTHS**

The pie is cut into  
four pieces.

Help the Pilgrim catch the turkey!

# Where's the Turkey?

Cut out the numbers and the game piece. Place the numbers {you can put all 20 or fewer} on the table and hide the game piece under one of the numbers. Have your child guess which number the turkey is underneath. This is a great activity for helping your child identify numbers up to 20. If your child correctly guesses where the turkey is hidden, have fun counting together up to that number. You can also have your child put the numbers in order independently.

# Label the Turkey

Fill in the correct words in the blanks below.

wattle

feet

tail

wing

# Follow the Directions and Find the Right Picture

The turkey is between the Pilgrim and the bush.

The girl with brown hair is holding a pie with whipped cream.

# Say and Clap

Cut out the pictures and numbers. Help your child say and clap the number of syllables in the words. Place the picture under the correct number column.
